

Where patients are family and family comes first.

CarolinaEast Internal Medicine is dedicated to providing skilled and compassionate care for all stages of life. Internal Medicine, Infectious Disease, Gastroenterology, Oncology/Hematology, Pulmonary/Sleep Medicine, Family Practice, Rheumatology, Neurology, Pediatrics and Radiology round out our scope of services.

We pride ourselves in the quality of the care we share at a reasonable cost, in a timely fashion at our offices conveniently located throughout the coastal region. At CarolinaEast Internal Medicine, **our patients are family and family comes first.**
